

KATILAC COATINGS INC.

ORACLE™

Premium Wood Stain Systems

Professional quality solvent-based wood stains to enrich the beauty of wood

ORACLE™

Premium Wood Stain Systems

Bring out the beauty

Wood substrates can provide a naturally beautiful canvas. Elevate that beauty with a high-performance stain system designed to accentuate grain definition, deepen colour, and enhance the overall appearance.

Whether it is a simple wiping stain or an NGR dye with a spray application, the KCI ORACLE™ line of premium stains delivers exceptional results. The ORACLE™ line unlocks a wide range of colour possibilities — from on-trend industry hues to timeless classics — offering the versatility required for professional custom colour matching.

Features

- Compatible with all KCI solvent-based sealers and self-sealing topcoats
- Products geared for different application methods; wipe, hand-spray, automated systems
- Suitable for interior wood surfaces including furniture, cabinetry and millwork
- Provides flexibility in colour formulation

Product Information

B7812 ORACLE™ Premium Wiping Stain Base

- An alkyd derived, solvent borne stain that can be applied by spray or wipe
- Very good open time; once excess wiped can be sealed very quickly
- Deep colour development possible by using both pigments and dyes
- Can be custom tinted or matched to an existing colour

B7655 ORACLE™ Classic Spray Stain Base

- A very fast dry solvent borne stain designed for spray application only
- Can be hand sprayed or used on an automated line
- Can be custom tinted or matched to an existing colour

T4421 ORACLE™ NGR Stain Base

- Non-grain raising dye stain provides deep, rich colour development
- Applied by spray, ideally HVLP; dries in seconds
- Can be used to develop an undertone, even out substrate variations or as a standalone stain
